HealthBIO 2019 PITCHING COMPETITION

at HealthBIO Partnering Day in May 16, at 11:30-13:00

Business Finland's [Personalized Health](#) program announces a pitching competition for young companies and research teams (for example [TUTLI projects](#)) who are looking for funding or new partners. Personalized Health program hosts the pitching competition in HealthBIO 2019 [Partnering Day](#) during [Life Science Live](#) in Turku, on Thursday May 16th, at 11:30-13:00.

Send the application for pitching [HERE](#) on Apr 12th at the latest. The participants will be selected by the end of April. In the pitching competition the winner will be decided by the jury. The winner will be awarded a SLUSH ticket and all the selected pitching teams will be granted free entrance to the Life Science Live event and its partnering session on Thursday, May 16.

The pitching time is five minutes (in English) and after each pitch the jury will ask 1-2 questions.

Jury members:

Karen Madden, Vice President of Technology and Innovation, PerkinElmer

Anna Gran, New Ventures Lead, Nordics, Johnson&Johnson

Roger Franklin, Partner, Hadean Ventures

Giles Dudley, Senior Business Developer, BioInnovation Institute (Novo Foundation)
